

Life after Life

Hundreds of Millions have had Near-Death-Experiences (NDE's)

NDE's are reported experiences of those surviving close encounters with death

You are invited to explore:

Personal experiences reported by those who have had NDE's.

Is there scientific evidence confirming the existence of our souls?

Will your consciousness survive after the death of your brain?

What causes NDE'rs to live their lives more in accordance with scriptural teaching?
